## 2017

There will be some staffing changes for 2017. We are all coming to terms with Mrs Doherty's retirement and realising the hole that will be left behind. We are very lucky as we have been able to secure Mrs Shelley Mellis on our staff for next year. She has been teaching at Nashdale PS and has done a great job on 3/4. Shelley did part of her teacher training at CPS a few years ago, so it will be lovely to have her back on staff. It is always a numbers game at the beginning of the year in regards to staffing, so if you know that you are leaving Canobolas, it would be appreciated if you could let the office know.

### Ben Anderson

Ben Anderson represented Western Region Schools in the State Cricket competition in Sydney last week. Reports flowed in all week about Ben scoring lots of runs. His coach reported his great wicket-taking skills as well! Well done Ben.

### Reports

Student reports usually try to tell a story of student effort and achievement. When reading reports, it is important to remember that 'sound' achievement equates to the student achieving outcomes suitable for their grade level. Anything above 'sound' means they are achieving above grade level in that area. The effort indicator is an important one to have discussions about at home.

### Year 3 Big Day Out

Thank you to Mr Hughes-Clapp for organising a great day for Year 3 last week. They had a lot of fun. Aiden B was the champion bowler of the day! Well done.

### Swim School

41 students are enjoying the beautiful weather at the pool this week. They have been graded now and lessons have started in earnest. Ms Lane and Mr Hughes-Clapp are attending the pool each day. They are there from 8.45. Lessons start at 9.30.

Band students, who are also swimmers, are asked to have their instrument in their car on Thursday afternoon so they can run it into the band room when they are picked up at 3.15. This will ensure that instruments don't go to the pool, but will be at school for band on Friday. Alternatively, siblings could bring it in.

### Band

Year 6 band people have an extra session at school on Wednesday afternoon to be ready for their transition session at OHS at 8am on Thursday.

### End of Year events

Please see dates at the side for week 10 events. Presentation Night happens at Orange High School on the Monday night. A note will come out about the rehearsal and the night itself. It is a K-6 event. Year 6 students will receive invitations soon about their dinner on the Tuesday. Year 6 will present an assembly on the Thursday. Time TBA.
