- 5/6 Amelia, Hugo P, Hugh, Harry, Cedar

### Christmas Party

Many thanks to the P&C for putting on a fun party on Friday! Photos on next page.

### Kindergarten 2019 Transition

Our kindergarten transition program wrapped up today. Thank you to all the current kindergarten families and Mel C for providing morning tea as well as sharing their experiences of having kindergarten students at Canobolas.

We look forward to seeing all those new faces during week 1 for Best Start.

### School/Home positive relationships

As the year comes closer to the conclusion, we would like to thank parents for their continued support of the school and students. There have been many opportunities where teachers and parents have worked together to get the best outcome for students, in learning, relationships and behaviour. For a school to succeed it needs the continued positive relationships between teachers, students and parents. When we make decisions, we intend on acting in the best interest of our students to encourage them to become self-aware, considerate students who take responsibility for their actions. If you have any queries about any incidents, it is vital that you maintain respectful, open dialogue with your classroom teacher for shared understanding and long term benefit for our children.

Thank you for working with us.

### Year 5/6 lunch mentoring

For the last fortnight our senior students have been giving up their lunchtimes to run student mentoring sessions for the junior students. The sessions include; athletics, drawing, dance, cricket, basketball, gymnastics, hockey, touch football, soccer and brass band. This is an opportunity for them to be leaders, pass on skills and foster relationships with the younger students.

### School information moving towards 2019

- Last day for the students will be Wednesday, the 19<sup>th</sup> of December.
- Staff development day is on Tuesday 29<sup>th</sup> Jan
- Students Years 1-6, first day back is on Wednesday 30<sup>th</sup> Jan
- School teaching hours begin at 9:15am and teaching time ends at 3:15pm. Students will forward down to the tennis court to be picked up after that. Thank you for moving off promptly in the afternoon to make more parking available. The afternoon pick-up has been easier!
- Girls uniform – Full school uniform for girls is the tunic; skorts available to order from Kingfisher; may wear the same uniform as the boys

For more information, please see our website.

### Reptile Visit

Reptile Education Safety Training Australia are running two in-school workshops at Canobolas. K/1/2 will have the 'Up close and Personal' experience and 3-6 will have Reptile Awareness and Safety training. Students will learn about reptiles while developing their knowledge about snake awareness, which is beneficial leading into the warmer months.

Thank you Mel C and her wonderful P&C team for putting on a great night last Friday. Despite cold and windy weather, lots of families turned up for a sausage sandwich, games and their annual Santa Photo. The Year 6 students sold out of their lolly bags to raise money for their end-of-year gift to the school. Thanks to Luke Compt for turning up with a built-in movie screen – great idea! And of course thanks to Jodie Towns, Stacey Hunt and Bek Salmon for setting the Santa scene and taking the photos. It was a great end of year celebration.
