Concert

Concert week has finally arrived. Rehearsals are going well and all students are excited. Students must arrive at the Orange High School music centre in full school uniform by 6.30 on Thursday night. Any students in the band or strings ensemble need to have their instruments and music with them. Students need to have eaten their dinner before they arrive as they won't have access to the canteen. Students can be picked up at the end of the concert from the music centre. Many thanks to the P&C who have been organising a supper canteen for the evening. Donation at the door for entry. See you all there!

NAPLAN

Naplan results have been received and handed out this week. Our Years 3 and 5 students did their Naplan tests online this year. The overall school results were excellent; the school average for every area was above the national average and there were many outstanding individual results as well. Please see your class teacher for further explanation or analysis.

Bus Survey

Thank you to all of the people who have filled out the bus survey. All data has been sent off to Transport for NSW and we are waiting for feedback as to when and if a trial will take place.

Uniform

It was decided at a recent P&C meeting that there will be extra options for the girls summer uniform starting next term. The options are; same uniform as the boys, short black leggings underneath their dress or a pair of skorts made from the summer dress fabric. The skorts are available (by order only) from Kingfisher Uniforms in Summer St. Cost is about \$40. There is a sample in the office.

Please note that the summer dress remains the 'full school uniform' for the girls, meaning they will be expected to wear it on formal occasions.
