Jasper and Izayer

Year 1/2 Pink
Evie and Hugo

Year 3/4
Georgie and Isaac

Year 4/5
Cooper and Jack

Year 6
Oscar, Maggie, Antonio and Violet

Year 6

Most of our Year 6 students have been through their transition process as they prepare for their next step. Students going to Orange High School spent today experiencing their first full day of high school! If you would like to have a look at all of these amazing Year 6 kids at the time that they all started with us, turn over the page. They were cute! Details about their Year 6 Dinner will come out soon. Save the Date: Thursday 9th December.

Disruptions this week

We are lucky that our classes are rarely disrupted and that our learning programs run as planned. This week however, we have been effected by various COVID related situations which has meant that we have had to shift some classes and teachers around. Apologies for library days that may have shifted or classes being split. We always work hard to minimise disruption and make the best decision to suit the majority. Many thanks to Mr Hughes-Clapp, Ms Harris, Ms Piggin and Mrs Charge for coming to the rescue this week.

New Demountable for 2022

Speaking of disruptions, Year 6 are about to say goodbye to their demountable classroom in the next week or so. We are having it replaced with a newer version which will be ready for Term 1, 2022. Year 6 will make themselves at home in the Old School for the rest of the year. The classroom area will be fenced off and there will be a lot of action on site. There will be a date coming up where we will have to change our traffic conditions. Watch this space.

Classes for 2022

We have been looking at our classes for 2022. We are sitting at 134 students and we are hopeful that our six classes will remain. This means smaller classes throughout the school as we have had this year. We are looking at a K/1, Year 1, Year 2, Year 3, Year 4/5 and Year 5/6. Of course this may change. We will offer our usual learning support programs as well as extra learning groups as we did this year with the COVID tutoring funding. This year it was used to develop reading fluency which had a positive impact on all learning for many students.

Presentation Assembly, Week 11

Our presentation assembly will be held on Tuesday 14th December. Arrangements are still being worked through, but we are hoping to stream it out to parents either via zoom or on Seesaw. All students will receive a book with a dedication for their hard work this year. All students will also receive their end of semester reports on that day.

Life Education Program

Sadly, there was no visit from Healthy Harold and Life Education Van this year. Instead our classes accessed online lessons in their classrooms that covered all of those valuable topics that they bring into our school every year.
