Term 4: Week 11 – 15th December, 2021

Calendar December

16th Last day, 2021

February - 2022

1st First Day 2022 for all students

18th OSSA Swimming Carnival

March -2022

25th OSSA Green Athletics Carnival

Many thanks for all of the lovely comments on yesterday's Seesaw posts. We all loved seeing them. Our hope is that we all get to connect properly for Presentation Day in 2022

Farewell Year 6, 2021

This week we farewell our lovely Year 6 students. In 2021 they all enjoyed being in a small class where there was great friendship and respect for one another. This group has always been special in the way they have shown compassion for others. At last week's Year 6 dinner, students shared their favourite memory of their time at Canobolas which was a lovely walk down memory lane for everyone. This year we have also reached the end of the sibling-line of several families and so we say goodbye to the following; the Boppings, Campbells, Caulfields, Halls, Lanes, Lenehans, Merrells and Ringhofs. We thank you for your involvement over the years and we cherish our long association. We wish the very best for you all. We know that all of these students have so much to offer the world and we look forward to watching their journey. Best Wishes!

ICAS Assessments

Congratulations to these students who took part in the ICAS Writing assessment last term. Well done! Certificates for all ICAS entrants were with book certificates.

Writing

Merit – Isobel

Credit – Charlie O'B, Alexander and Beatrix

Distinction – Honor

Mr Carrigan finishing up this week

Mr Carrigan has decided to hang up his teaching boots at the end of this year. Many of our students have benefited from his maths expertise in the classroom and have enjoyed the many fun games of sport in the playground. Early arrivers will miss being able to play on the oval in the mornings. Mr Carrigan is well-known for his energetic and enthusiastic lessons and we will miss him very much!

Swimming 2022

The OSSA swimming carnival happens early in the year. Over the holidays it would be a great idea to practice those strokes over 50m while you are at the pool. We will ask students in the first week which events they would like to compete in. In addition, we are looking into swimming lessons in the new year for students in our current Year 2 and anyone else who cannot swim 50m.

New classroom delivered today!

It is a relief that Year 6 2022 will have a classroom next year. It arrived today! Yay!

I would like to acknowledge and thank everyone in our school community who has helped us get through another upset year. Once again we have had to work together, yet apart, to bring about the best outcomes for our students.

Have a safe and very well-deserved break and we look forward to seeing everyone in the new year.

Many thanks, Meg
