Jimmy and Estelle

#### Year 3/4

Billy O and Billy E

#### Year 4/5

Jack, Sienna and Liana

#### Year 6

Keeden, Emme, Amelia,  
Sheri and Macey

## Construction Site Fun

Yesterday a giant crane along with a fleet of trucks arrived to cart away our old demountable building. It was disconnected, unbolted and lifted out in four pieces before being tied onto the trucks and driven away. It was a very smooth operation and very exciting for us to watch. Year 6 have moved into the Old School. Hopefully we will receive our new demountable before the end of the year.

### December already!

The end of the school year is approaching fast. It is an extremely busy time for everyone and as usual, it feels like everything is happening at once. Here is a quick reference guide to let you know what is happening between now and the last day.

**Tuesday 7<sup>th</sup>** - Industrial Action. More details to come.

**Wednesday 8<sup>th</sup>** – Christmas Craft Stall Year 5 girls, Lianna, Heidi and Ally have been busy producing a range of crafty Christmas goods and will set up a stall at school. More details soon.

**Thursday 9<sup>th</sup>** – Year 6 Dinner @ 5.30-7.30. Year 6 Students come along for pizza on the oval with the teachers. The students love having this special dinner and having the playground to themselves. They wear casual clothes so they can run around.

**Friday 10<sup>th</sup>** – Year 6 Milkshake Day fundraiser. Note to come home today.

This will be the last day for lunch orders for the year.

**Tuesday 14<sup>th</sup>** – Presentation Day As we cannot hold a live event, all classes will record their special Book Award Ceremony and put it up onto Seesaw. Classes will also prepare an item to record for you to watch at home. Keep your eyes on Seesaw on the 14<sup>th</sup>! Student reports will come home on this day as well.

**Thursday 16<sup>th</sup>** – Last day for students

### Student Reports

Reports will look somewhat different this semester. We were required to supply a COVID style report as we did in Semester 1 last year which was quite limited in its information. We felt that we would like to give a bit more information than required, so we have adjusted it to include learning goals and some information about other key learning areas. In many cases students reflected on their learning and came up with their own learning goals with their teacher.

### Eleanor King and Lucy Badman

Last week we had two lovely and very capable young ladies with us. Eleanor and Lucy, who themselves attended Canobolas from K-6, are in Year 10 at OHS and were here for work experience. Both girls would make excellent teachers one day.

### Cake Day

Thank you to all of the families who have supported Cake Day this year. It is a weekly tradition that our students love! Cake Day proceeds sponsor two children through the Smith Family charity which makes us very proud. This week is the last week for cakes. Next Thursday there will be an ice-block day. \$1 each.
