Jack, Ava and Henrietta

Year 3
Jemma, Audrey and Chase

Year 4/5
Logan, Finn, Taylah and Isaac

Year 5/6
Summer, Harper, Sienna and Billy Y

CWA Public Speaking

Seren, Annie and Harper have all taken part in the CWA public speaking finals this week which as you can imagine is a nerve-racking and character-building experience. Well done girls. Best of luck to Summer-Lee who has her final tomorrow.

Orange District Athletics

It was a freezing day at Waratahs for the District Athletics carnival last Friday. Well done to all of our athletes who competed on the day. The team performed very well. The official results are yet to be published.

Musica Viva

Next Monday our students will be treated to a Musica Viva performance called 'Timmy and the Breakfast Band'. This performance is free as it has been subsidised by Musica Viva as well as the school. Lessons about the performance are happening in classrooms.

Switch to Sentral Parent Portal

Over the next few weeks, we will be starting the move to the Sentral Parent Portal for our communications. We will start with families in K-2. Please look out for a Portal registration email, which will be forwarded in the next few days.

Election Day BBQ / Cake Stall

The P&C held a successful Election Day Cake Stall and BBQ on Saturday. Many thanks to Bianca, Marta, Kelly D and Haeley, and to all those who cooked and donated goods. Over \$650-00 was raised to support our school.

Band

The Band concert and morning tea is coming up on the 7th June. All students should be having short, regular practices in the lead-up to build up those skills to show off. Invoices for band went home last week. POP payments are preferred if possible.

Help Your Child Learn to Read (K-6) – Parent Information Evening

Reading is one of the most important skills your child will learn at school. Learning to read doesn't stop in Kindergarten or when they read their first chapter book. Our students learn to read right up until Year 6, with our aim being that they enter high school as 'rich readers'. This means that they can read complex texts not necessarily about things that interest them, find deep meaning in them, realise what the author's purpose is and be able to use that new information in a future task. If you would like to hear how you can support your child at home (all ages K-6) come along to our information night in our school library on Wednesday 1st June at 6pm. Mrs Manson will lead this evening. Please RSVP to the office if you would like to attend.

Health and Safety

- In the event that parents are asked to transport other children to events, we need to sight your Drivers Licence and Vehicle registration
- Please be aware that all of our school traffic needs to to Canobolas Rd traffic as you pull out
- New RAT tests in bags today.
