Don't be confused – it's only Tuesday! We have decided to put out the newsletter early this week as we miss Thursday. Please note; Lunch orders need to come in tomorrow and Thursday parent meetings have changed (see below). Full school uniform needed for tomorrow.

Teacher Industrial Action - Thursday

This Thursday 30th June, the school will be non-operational which means that there are no classes in operation and no supervision at school. This is due to the industrial action called by the NSW Teachers Federation. There will be work on Seesaw if you wish for your child to do some work at home during the day.

Parent Meetings

Thanks to everyone who has signed up to the Sentral Parent Portal. Over 70% of families have booked in for meetings this week. **If you had a meeting booked on Thursday, these meetings have been moved to Friday. We are hoping that you may be able to keep the same appointment time. If you cannot do the same time, please call the office to rearrange.** Meetings will go for 15 minutes. Please see the board outside the office for the QR code and directions to where the meetings will be held. See you this week!

Sentral Parent Portal

We are in the process of transitioning to Sentral as our main portal for communications. This means that all of our newsletters, and incidental messages will be sent out this way. Please install the app if you haven't already. We will continue to use both Sentral and Schoolstream as we transition through term 3. Classes will continue to use Seesaw as a class platform.

Trivia Night

The P&C are organising a Trivia Night for early next term. Please see the flyer attached. Thanks Sally and Richie – these nights are always fun!

Orange High School Show

Our students will visit Orange High School tomorrow to watch their annual school show. They will need to return their notes and wear their full school uniform.

Life Education Van

In week 1 next term, Healthy Harold and the Life education van will be visiting Canobolas Public. Harold will be delivering important programs for all year groups including healthy diet, making good choices and cyber safety. More information over the page. There is no cost for this visit.

Day 1 Term 3 - School Development Day

The first Monday of next term will be a School Development Day (pupil-free day). Teachers will be working through aspects of the School Improvement Plan; particularly developing next steps in teaching writing and maths.

Bell Shakespeare

30 of our students in Year 3-6 had a great time in the Macbeth workshop last week. They learned and practised various dramatic techniques before staging their own version of Macbeth. Thanks to Will from Bell Shakespeare.

Life Education Van

The 'Life Education Van' is visiting Canobolas Public. Life Education provides an interactive experience for each and every student with specially trained experts providing the direct delivery of drug and health education. This visit is always a positive and worthwhile learning experience that compliments teaching and learning programs. More information can be obtained from the following link: <https://www.healthyharold.org.au/>
