Western Cross Country

Last Wednesday Billy Y, Henry C, Isobel C, Sam C, Angus F and Lacey C all went to Geurie for the Western Region Cross Country Finals, representing our school and the Orange District. Isobel finished 2nd and both Billy and Henry finished first! They will advance to the state championships in Sydney, later this year.

Reports

Student reports will go home this Friday. It is important to have in your mind as you read reports that if your child is given 'working at' grade, this means they are tracking well and have achieved or are on track to achieve all the necessary academic milestones for Semester 1.

Parent Meetings

The Sentral Parent Portal is up and running and available for interview bookings. Notes went home on Monday with details on how to book. The portal to make bookings will be closed on Friday afternoon to give teachers an opportunity to plan their day and prepare for the interviews.

PSSA Touch Football

On Tuesday, Billy Y, Michael T, Sienna and Honor represented OSSA Green in touch football playing against Milthorpe Public School. The boys lost 3-5 and the girls lost 1-4.

Orange High School Show

Our students will all travel into OHS in week 10 for their annual show. It is always exciting to see which of our old students appear on the stage. Could parents please return notes ASAP. Like all excursions, students will need to be in full school uniform.

Life Education Van

Next term, Healthy Harold and the Life education van will be visiting Canobolas Public. Harold will be delivering important programs for all year groups including healthy diet, making good choices and cyber safety. The program charges \$12 per student, however the school has covered this expense. Please check school bags for a permission note in the coming days.

Maggie Dent- Raising Strong Girls

Former teacher turned children's psychologist and author Maggie Dent spoke with Sarah Kanowski on ABC conversations podcast about the challenges of raising strong girls in today's society. It is an inspiring conversation and very much worth listening too.

Clothing Pool Volunteers

The P&C needs volunteers to help out with the clothing pool this Thursday. Please call the office if you can help.

The Canobolas Cast is back!

Year 5/6 students have worked hard on their sound editing and planning skills to create the news letter as a podcast. Click on the link, listen and enjoy!

Attendance Matters – This week we are looking at lateness to school

A couple of minutes here and there doesn't seem like much, but...

When your child misses just... they miss days per year

5 mins per day = 3 days

30 mins per day = 18 days

Patterns of lateness can have a serious impact on your child's education.

School starts at 9.10.

Social catch-up and crucial classroom teaching take place first thing every morning.
